**District Superintendent's Report**

In spite of the difficult economic times and state cutbacks, District One Schools was able to maintain top quality programs and opportunities for all students during the 2008-2009 school year. Students were successful in academics, fine arts, and athletics and have excelled at both the state and national levels.

As I reflect on the many success stories, it is certainly gratifying to see our students, schools, teachers, administration, staff, and board accomplish so much. In 2009-2010 we expect to do even better!

As has been the case in recent years, the district was ranked among the top eight districts in the state for student performance. New Prospect Elementary School was recognized as first runner-up for the state of the Title One District School award program for student achievement. Inman Elementary School was recognized as one of the "Literacy Spot Award Winning Schools" at the SC Literacy Conference. Athletic teams participated in state playoffs. Bands and orchestras were successful in state competition, while numerous students won awards in band, strings, and the visual arts. Over 1,400 students participated in shadowing experiences this year as part of our efforts to fully implement the EEDA. The class of 2009 amassed over \$10,000,000 in scholarships. Chapman High School received the Red Carpet award, which completes the list of all schools in our district receiving this award. Landrum High, Swofford Career Center, New Prospect Elementary, and Inman Elementary Schools were recognized as Palmetto Gold or Silver Award recipients. The district and eight schools, to include Campobello Gramling, Inman Elementary, Holly Springs-Motlow Elementary, New Prospect Elementary, Mabry Middle, Chapman High, Landrum High, and O. P. Earle Elementary, received the SC NSPRA award (SC Chapter of the National School Public Relations Association) in the publication and electronic media category. This list could go on and on.

Building projects at O.P. Earle Elementary and Holly Springs-Motlow Elementary Schools were completed. Another phase of building additions and upgrades has begun at Campobello Gramling School, with a project completion goal of December 2010.

Spartanburg District One Schools participated in numerous fund raising activities to include United Way, March for Babies, and Relay for Life. The district was named the number one district in SC for Relay for Life contributions. Four volunteers received the State Board Exceptional Public School Volunteer Service Award.

The District One team that includes our board, administration, faculty, and staff remains "student-centered." We share the vision to provide the best education possible to our children to meet the ever-changing needs/demands of society and to be characterized as "world class" as a result of the outstanding accomplishments of schools, teachers, and students. Together we have a quality school system!
